- Date** : 05/10/2022
- Timing** : 11:00 a.m. to 12:30 a.m
- Proceedings** :

Prof. Sathe, Convener – SIMS Innovation Cell (SIC) introduced Dr. T. Pisal Head of department, Green Fingers Computer College & Technology. Prof. B. Sathe informed to all participants about the SIC established at our institute.

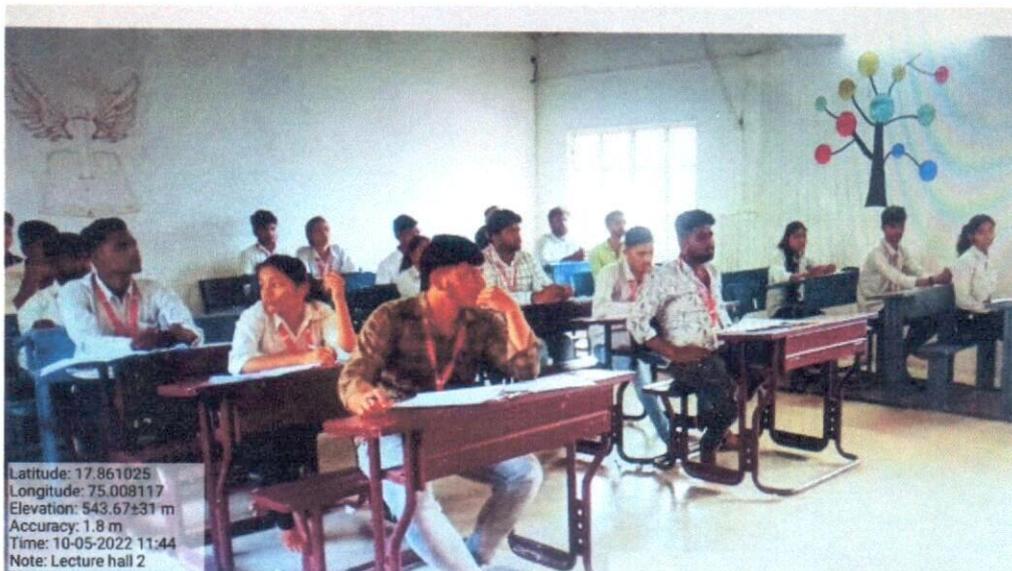

Dr. Pisal talked about entrepreneurship initially. Being an entrepreneur, he guided students well about various aspects of entrepreneurship. Then he explained the difference between invention & innovation, and how innovation is an important part of the entrepreneurship. He gave examples of many businesses which failed due to failure in/ negligence to innovation. Then he focused on the concept of Design Thinking for innovation. He discussed various stages/ steps (Empathize, Define, Ideate, Prototype & Test etc.) in application of Design Thinking. He explored the areas where Design Thinking can be applied. He gave example of a MRI machine designed with consideration of noise & kids. He told the participants to focus on the details, root cause of the problems & not start the solution just by considering the superficial layer of the actual problem. Students & faculty members of college attended the session. Students came to know the difference between invention & innovation. They understood the various steps in using Design Thinking technique for innovation. They also came to know the importance of innovation in order to remain in the market. This session will definitely help them in near future.
